## Silai Gully's First-Ever Rakhi Collection

This isn't just a Rakhi.

It's a thread of love, handcrafted by the incredible mothers of children with disabilities from **GRIRR** in Garden Reach, Kolkata - each one made with care, color, and quiet strength.

Our very first Rakhi collection brings together tradition and tenderness, stitched with purpose and packed with emotion.

Whether it's for your brother, your bhabhi, or someone who holds your heart — make their Rakhi truly special with Silai Gully.
